Wrong credentials:

After inserting correct credentials:

The screenshot shows a dashboard interface with a dark header bar containing navigation links: 'Login', 'HomePage', and 'Dashboard'. The 'Dashboard' link is underlined, indicating it is the active page. Below the header is a section titled 'Dashboard Overview' containing six cards arranged in a 2x3 grid. The cards provide real-time data: 'Users' (1,245), 'Orders' (312), 'Revenue' (\$4,520) in the top row; and 'Pending Tasks' (12), 'Completed' (89%), and 'Tickets' (18) in the bottom row. At the bottom of the page is a footer bar with the text '© 2025 | All Rights Reserved'.

Home page :

The screenshot shows the 'HomePage' screen. The header bar is identical to the one in the dashboard, with 'Login', 'HomePage', and 'Dashboard' links. The main content area features a large blue background with white text. It starts with 'Welcome to the Home Page' in a large, bold font, followed by a descriptive paragraph: 'This is a simple and beautiful Home Page designed with inline CSS. Explore the dashboard, manage your data, and enjoy an elegant UI experience.' Below this text is a blue rounded rectangular button with the text 'Get Started →' in white. A small copyright notice '© 2025 | All Rights Reserved' is at the bottom of the page.
